

LONE STAR ALLEGRO CLUB ROVING REPORTER

Unfortunately, LSA ended up cancelling the rally for Trader's Village. There were several members that had scheduled other fun things for the week-end, a few had motor home issues, and for whatever reason, one decided to take a header off the front porch!! Sharron – prayers for a speeding recovery!!

The Toys were planning to host the week-end, packed up and ready to go-so the Brinlee's (packed up/ready to go) decided to check out their hosting skills. The two rigs headed for North Lake and had a great time! BTW - their hosting skills are exceptional!

LSA will be meeting at one of our favorites spots Friday, March 28 – 30th, Country Place located in Cut and Shoot Texas, 3043 Waukegan Road. Please sign up on the LSA webpage to post you intentions – yes or no, including dates of arrival and departure. There is no need to call the camp ground to make a reservations, the Wagon Master will notify cg of attendees. We look forward to hearing about your adventures over the past few months. Please note: Host and Host team needed

The April rally will be held at new campground recently opened. The dates are April 25 – 26th at the Victoria Coletto Creek Lake KOA, located at 500 Coletto Park Road. They require each rig to call and register no later than 30 days before the rally. They require a deposit; however, it is refundable with adequate cancellation notification. Make your plans early to join LSA and check out the new facility. We will also need a Host and Host team for the week-end, so once you have worked out schedule, let us know if you would be interested in hosting. If you are planning on attending, make your reservations on or before March 24th.

We look forward to seeing those of you that can attend in March – for those of you traveling – Safe Travels...!

And as always – Keep them Big Wheels Rolling!!
