

## Roving Report News for April 2015 at Jamaica Beach RV / Galveston, Texas

Well, we just completed another awesome rally in Galveston, Tx and had allot of fun, some excitement thanks to the weather, and everyone got some good exercise getting to & from the rally room on the 3rd floor of the campground office complex! We had some liquid sunshine (actually allot!) on Saturday morning, but nothing that caused any damages thank goodness, and then the day got absolutely beautiful! The island was very busy as there was also an Ironman competition on Sunday, and the bicycle portion of the race went right past our RV Park.

We had 8 rigs attend the rally, as The Marler's had to cancel as Sherran was not feeling well, The Brinlee's went from not going, to going, to not going. Sherran, we hope your procedure on Tuesday is successful, you are in our prayers, and hope the Brinlee's enjoyed the races, and Nancy's birthday!

The rigs attending were, Mesz, Toye, Stanger, Shaner, King, Helstrom, Pleasant, and our visiting couple, Charles & Jackie Bess, and Miss Nancy joined us for our business meeting, and was surprised with some Birthday Pie! Be sure to check out the forum as we have many good pics of this rally, including a flying buffalo?

A few rigs arrived on Thursday night, and we decided to hit one of the local restaurants, Mario's Italian, and everyone enjoyed their dinners, definitely a place to put on your list.

On Friday, we started off with our attitude adjustment hour, and enjoyed snacks and appetizers that our members brought. Our co-hosts, the King's & Helstrom's did a great job planning our weekend and taking good care of us, and we went to Neal's Restaurant on Friday night for some excellent seafood, then back to the clubhouse for some socializing, and of course, desserts, Peach Cobbler & Lemon Pie, thanks to our hosts, yum-yum!

Saturday morning was exciting with the weather blowing in, and some chose to brave the weather and go up to the rally room for breakfast which was cooked by the RV park, and the rain let up just in time for us to have our business meeting at 10:30am. Richard King made a PowerPoint presentation about the TRVN rally for April 2016. More information on this will be coming up as it develops. We surprised Nancy with a Birthday Pie and helped her celebrate her special day! After the meeting, some of the ladies hit the Strand for some shopping, and I am told that a couple of the guys, (names omitted to protect the innocent), went on their own shopping spree. The Pleasants were off to meet friends for a lunch on the island, and some of us just chilled out hanging around the RV Park.

After our attitude adjustment hour we enjoyed a catered dinner on Saturday evening of Catfish, Potatoes, Coleslaw, and also had a fresh salad whipped up by our hosts, and of course, more delicious desserts including a coconut cake, thanks Marge.

50/50 ticket sales were brisk, and the pot was won by our newest members, The Bess's! The boys played poker, & a large group that played "Pass the Love", with Patsy King winning that game. Charles Bess won

big at the poker table, talk about beginners luck, they won the 50/50 and Charles took all our money! Charles & Jackie Bess decided to join our merry little band and are our newest members, we welcome you both! Our club is on a growth spurt, 5 new member couples this year! If we are not careful, we might have a waiting list by the end of the year!

Sunday morning everyone gathered back at the clubhouse with the flying buffalo for breakfast pizzas, fruit, orange juice, and coffee which was also delicious! We said our goodbyes till next time. We had a great rally, made some new friends, and were well taken care of by our hosts. Thanks again to the Helstrom's and the King's for serving your club, we really appreciate it!

See yall at Colorado Landing RV next month!
