

Roving Reporter News for Colorado Landing

Eleven rigs gathered at Colorado Landing for our May rally. Two of the rigs were visitors and as usual our visitors were the big winners of the week-end. We played a variety of games (Vegas has nothing on us) and we enjoyed a lot of wonderful food. Because this is our annual 3 day rally, there were 3 host teams: Mark & Sue Didelot, Steve & Cindy Mesz, and Richard & Nancy Brinlee. Everyone helped by provide side dishes and desserts as well as with clean up. The host greatly appreciated all of the assistance.

The only change in plans due to the weather was the need to move the progressive breakfast on Sunday morning into the clubhouse rather than outside at the rigs. It all worked out well and the food and drinks were fabulous! The weekend was filled with great friends, conversation, and belly laughs. Lots of games were enjoyed including a 5 card Poker Run, Catch-Phrase, as well as several games of Bingo!

The Saturday morning LSAC business meeting went off without a hitch allowing folks to head out and explore what all the area had to offer. Several members asked that the Club Roster be sent out electronically. This has been done, please review your personal information and let Terry know of any changes. Several members were strutting around in their new club badges – lookin' good! Thanks Prez Mesz for working on the production of these badges for the club. Just a reminder, if you have not ordered your badges yet, there will be a price increase mid-June. Order soon and save 3 bucks!

Monday morning, goodbyes were said as folks headed out in all directions. We pray that everyone made a safe trip home and have been spared any damage from the storms that passed through during the week.

Our mid-summer Mini Rally will be August 7 – 9th at Advanced RV in Pearland. This is an unofficial rally meaning no hosts, pot-luck meals, but still a whole lot of fun!! Those of you that would like to go to a Skeeter's game on Saturday (like last year) will need to order their tickets through Rickard Brinlee. Please send \$40.00 per tickets on or before June 15th. Let me tell you what you get for 40 bucks – a ticket to see an independent league baseball game from an air conditioned suite. A large buffet ranging from salad to various entrée stations plus hot dogs and nachos bar. In the 5th Inning – an ice cream bar and fresh hot cookies are passed around. More or less, we eat our way through the baseball game. If you are not interested in attending the baseball game, there are several restaurants in the area for dinner and games in the clubhouse when you return. Let us know your intentions by signing up on the web page.

Our fall kick off rally is in Sulfur La, September 26 – 28th, at A+ RV Park. We have 10 sites reserved so call and make your reservations as soon as possible. They are asking this be done before September 1st. The Shaners have agreed to host but we still need another team to assist. Please sign up on the web page if you are planning on attending the rally and if you are interested in hosting.

For those of you on the road and exploring the sites – safe travels, see you when you get back.
Keep them big wheels rollin'!!
