

## Roving Report for April 2016

– Jamaica Beach Once again, our hosts out did themselves with the food, fun, and activity for the week-end! “THANK YOU” Cecelia and Reg Coleman along with Lee and Marge Helstrom. We had a great turnout with 12 rigs including visitors: Scott and Liz Cryder and Ed and Dorothy Hearon. Before the week-end was over the Cryder’s became members of LSA club along with returning guests, Bill and Lee Meredith. Did I mention the Hearon’s (guest of CC and Reg) are wonderful folks, but they were not able to join us since they drive a “SOB”...some other brand!!! Tee hee.

Friday evening began with attitude adjustment hour then off to the Waterford for a dining experience. No one left there hungry! On Saturday morning, the campground actually cooks breakfast for their visitors and we decided to take advantage of their hospitality. Most of us spent Saturday afternoon exploring the island, expect for those that decided to do a few honey do’s around their rigs. We met in the clubhouse around 5pm again to “adjust our attitudes” with drinks of choice and appetizers. This was followed by dinner of Shrimp or Chicken Poor Boys and boy were they good. Dessert was birthday cake shared by everyone to celebrate the April birthdays. The birthday folks present were: Kathy Banks, Nancy Brinlee, and Bruce Marler. SO, happy birthday Keven Carver and Mile Clayton – sorry you missed the cake!! On to game time, lots of more fun, laughter, and conversion brought the evening to an end. Sunday morning CC persuaded the camp owner to make breakfast (just for our club) and it was wonderful, of course!

Excellent week-end was had by all! Good byes were said as everyone hit the road for various destinations.

We have more fun scheduled before our midsummer break. In May, we will be going to one of our favorite spots, Colorado Landing in LaGrange Texas. This will be over the Memorial Day Holiday allowing us to add an extra day of fun and food to the rally. Our host are: Nancy and Richard Brinlee, Mark and Sue Didelot, and Lee and Marge Helstrom. The agenda will be place on the webpage before too long! Reservations were to be made before May 2nd as requested by the campground. If you think your plans may allow you to attend, call the campground to see if they have an open site. Remember, this is a busy week-end and they may not be able to accommodate your request. Looking forward to seeing everyone!!

Safe Travels – Keep Them Big Wheels Turning!!!
