

December 2016 Roving Reporter

LSA gathered at Montgomery KOA to celebrate this special season of friends, family, and fun! Our hosts teams for this rally, really out did themselves. Chuck and Carol Bennett along with Larry & Chris Golden planned a wonderful week-end for all of us to enjoy!

Rally activates began Friday evening with “attitude adjustment” followed by dinner at the Magnolia Grill. Surprisingly, no one went to the clubhouse afterwards for games or conversation. I believe they were saving all their energy of Saturday night fun and frolic.

The men gathered at the clubhouse early Saturday morning and prepared an excellent breakfast! They did such a wonderful job.... Ladies - we need to consider making this an official LSA policy. “MEN ALWAYS COOK BREAKFAST SATURDAY MORNING”.

As usual, the LSA meeting followed. All reports were given, officers for 2017 were finalized, and 2016 business was completed and closed. Officers for 2017: Steve Mesz – President, Neal Pleasant – Vice President / Wagon Master, Terry Toye – Secretary/Treasurer and Jan Dabney, our Sunshine Lady. Thanks everyone for accepting these positions allowing LSA to move on into the new year. Members – please remember YOU are as important as our LSA officers with your participation as hosts, attending rallies, and in supporting the efforts of your officers to keep this club an event members and visitors look forward to attending.

More fun: The men & Anne Shaner gathered in the clubhouse Saturday afternoon for a well-deserved time of rest – oh wait, it was for a poker game!!! We're not sure who won, but the Shaners were seen pushing a wheelbarrow full of money to their rig,,, just sayin! Others lounged around their rigs or headed out shopping to find special toys for our LSA Santa to deliver.

Saturday night began with a little attitude adjustment before the caterer arrived with our celebration meal. We had 10 rigs at the rally with 2 member couples joining us for dinner, silly sweater contest, and our rip roaring gift exchange. Our winners for the sweaters: Chuck Bennett for the ugliest sweater, Larry Golden for the most creative ugly sweater, and Kevin Carter for the funniest ugly sweater! Some oldies but goodies gifts showed up at the gift exchange along with a variety of new items. Beware next year....

The Brinlee's were honored with cake, ice cream and gift cards from the LSA members for their contribution over the past few years as wagon master/mistress. To say the least, they were blown away by the heartfelt acknowledgment and love from their special LSA family. It was our pleasure to serve the club in this capacity and we look forward to next year as Neal takes over these duties.

Sunday morning was a time to gather to say so long for now and express well wishes

for the holidays and the New Year. Wonderful rally week-end and a great end to the 2016 LSA Rally Season.

Special wish from the Roving Reporter: Merry Christmas and Blessings for a Healthy 2017!

Safe travels and keep them BIG WHEELS turning.
