

## March 2016 Roving Rally Report

Coletto Creek KOA, Victoria, Texas

Hello Fellow LSACer's,

Well, we enjoyed another fun filled weekend in Victoria, and had a total of 10 rigs in attendance. The Banks, Brinlees, Claytons, Colemans, Goldens, Helstroms, McCormicks, Meszs, Porters, Toyes, were all there, and everyone made it there and back home again with hard luck stories to report. This was the Banks 1<sup>st</sup> rally as official members, so make sure you look for them at an upcoming rally and get to know them better.

A few of us got there Thursday, and found a nice little Mexican restaurant in Goliad that served monster margaritas for around \$3.00, so we were very happy campers that night!

Friday brought the rest of the gang in and we enjoyed a wienies & brats on the grill with all the fixins after our normal attitude adjustment hour complete with apps & snacks. No games that night as most were tired from the trip in, so we turned in early, and had a very exciting night due to the strong storm system that blew in overnight, which treated us to lots of rain, thunder & lightning, some hail, and a very robust amount of wind during the night. Lucky for us, the hail was small and didn't last long, and no damages to our rigs from the storm.

Saturday morning breakfast was awesome, as the Porter's whipped up some awesome breakfast tacos, and we have fruit and some other sides, then everyone went out exploring, or just hung out at the park enjoying the beautiful weather we had. We played BINGO on Saturday afternoon, 6 games total, and the winners were, Lee Helstrom, Steve Mesz, and the big winner of the coverall game with the biggest pot was Larry Golden, but the most exciting story was that Nancy Brinlee won 3 different bingo games in a row,,,,and she only had 1 BINGO card! Amazing, and congratulations to all the winners! Saturday afternoon found us back at the rally room to get our attitudes adjusted again,,, then we were off to McMillians BBQ in Fannin, Tx for an "All You Can Eat" BBQ feast served family style! It was some awesome BBQ, and if you left hungry, it was your own fault, as

he provided all the food we wanted, and we ended up taking about 5 pounds of leftover meat back with us, which we divided up back at the RV Park. Then it was back to the rally room for desserts, and we played a giant game of Left, Right, Center for \$1 bills instead of quarters, and there were a total of 19 players! The big winner of the LRC game was Anne Clayton, and I think they ended up with enough from the pot to fill their rig with fuel!

Sunday morning the RV Park cooked breakfast and we all met at the rally room to eat and say out goodbyes till next time.

Our next rally will be at Jamaica Beach RV Park in Galveston, Tx, and spots are almost all gone, so if you plan to go, please call and make your reservations! The Coleman's & The Helstrom's will be our hosts, and it should be a great time!

See yall soon and Safe Travels,

Prez Mesz
