

Roving Report for Sulphur La. - September 2016

We started of our fall calendar with a bang! We had 9 rigs for the Sulfur rally including visitors, Jim & Maggie Grinstead, and Jerry & Becky Doyle, and one rigless couple. Thanks Mark and Sue for joining us and for being our tour guide Saturday afternoon). The week-end was filled with food, fun, and more food. Thanks to our hosts, the Shaner's, we were well taken care of.

Once the table was cleared the magic game box appeared and folks gathered around the tables and laugh the evenings away. It seems Richard Brinlee decided to coach newbie Jerry Doyle on the game of Farkle. That comedy routine lasted for a couple of hours, not sure if Jerry ever completely got the concept or not :-). The Grinstead's got into a lively game of Catchphrase also, and they seemed to enjoy themselves greatly!

Our visitors, Jim & Maggie Grinstead, decided to join our merry band of rigs and become members of LSA even though they live in Arlington, Texas, they plan to catch up with us again soon. We found Maggie to be the adventurous sort, facts that confirm this: trusting and following Mark Didelot around Sat afternoon, also getting up close and personal with a baby alligator. We greatly appreciated her help assisting the Shaner's with keeping the clubhouse clean. The Doyle's decided to become official LSAC members at this rally also, so our family keeps getting larger by the month!

We have two more rallies scheduled for 2016. We will be heading to New Braunfels the first week-end of November for Wurstfest. Tickets are available on line. The sites reserved for this rally have been filled. For those who do not have reservations and would like to be added to a wait list, call Pres Mesz. For those with reservations and you need to cancel, please call Pres Mesz first, we may be able fill your site.

Holiday Party first week of December at Montgomery KOA. Lots of sites available. Please sign up early, there will be a catered meal Saturday night and they will need a final count by November 28, 2016.

We are requesting nominations for club officers to be sent the nominating chairman, Cecelia Coleman. Please check with the person you are nominating first to make sure they are interested in being an officer. Offices: President, VP/Wagon Master, Secretary/Treasurer, Sun Shine Lady.

Safe Travels and Keep them big wheels rolling....
